## EDUCATION

### Bachelor in Computer Application - Gomendra Multiple College

2019 - 2023

Attained my Bachelor's degree in Computer Application (BCA) from Gomendra Multiple College, where I deepened my knowledge and skills in the world of computer science and software development.

### Plus 2 – Amity Education Foundation

2017 - 2019

Pursued Computer Science during my Plus 2 at Amity Education Foundation, fueling my passion for technology and paving the way for higher studies in the field.

### SEE – North Point English Boarding School

2004 - 2017

Completed my Secondary Educational Examination (SEE) at North Point English Boarding School, gaining a solid foundation for my educational journey.

## WORK EXPERIENCE

### Fiverr – Freelance Web Developer

2020–Present

Continuing Fiverr projects, crafting responsive sites for global clients using .NET Core, PHP, HTML, CSS, and JavaScript.

### Balaji Clearing House – Full stack Web Developer

1 Month Project

Used full stack approach (PHP, HTML, CSS, JavaScript) to create an engaging, user-friendly website showcasing client services.

## SKILLS
